Warning - You may be injured while handcycling. The performance of specialized handcycles may expose the user to injury from impact with the ground, pavement or any obstructions including but not limited to; trees, other cycles, automobiles, pedestrians or any objects that may be encountered during the use of the handcycle.

The risk of injury is even greater unless you always: 1. Wear a helmet, 2. Wear gloves, 3. Wear protective clothing, 4. Make sure the handcycle is properly adjusted for your size and weight.

Always remember: The faster you ride the greater your risk of injury, loss of control and or collision.

Warranty: Freedom Ryders carry a three-year frame warranty to the original purchaser (excluding commercial use). 30 day money back. Return your FREEDOM RYDER in "as new condition" carefully repackaged in its original container with each part completely protected & securely fastened to each other and we will refund your purchase price minus shipping. If upon inspection the FREEDOM RYDER is returned with any damage then we will charge a fee to return it to original condition.

SPECIFICATIONS

Frame: 4130 Chromoly

Easy Knock-down for travel and easy transport

Frame Design: Lean steer frame design with total adjustability for different size riders

Wheelbase: Overall length

Weight: Overall weight 31– 34 lbs.

Turning Radius: 11 feet for 360 degree circle

Transfer Seat Height: 10”

Seat - Fully padded seat bottom and seat back with nylon covering and independent adjustment of the seat back and seat bottom.

Back Style: Fully padded with adjustment.

Shifting and Braking system: Shimano S.T.I. combined shifting and braking located on the S.T.I. Shifter bar in front of the crankarms with independent horizontal and vertical adjustment.

Crankset: Superbike LC-1 crankset with bottom bracket assembly and aluminum contoured pedals with offset spindle so your fingers never touch the spindle. F.S.A. ramped Shimano compatible chainrings for true S.T.I. Shifting compatibility.

Crank: Independent horizontal and vertical adjustment.

Hand-pedals: Ovalized light weight aluminum pedals with the spindle offset to the rear of the grip so the rider’s fingers never touch the spindle.

Footrest: Independently adjustable wrap around footrest with fore and aft adjustment and cross straps to support the calve and heel.

Rear wheel camber: 10 degree or 15 degree available.

Rear Axle: Texturized and clear anodized Narrow or wide axle choices. Wide axle comes standard with 10 degree lugs for racing and narrow axle comes standard with 10 degree lugs.

Recommended options: Water bottle and cage, helmet, mirror, riding gloves.

Warranty: 3 year on frame to original owner with limited parts warranty per Shimano, Velocity, etc.

Assembly: Assembly is required.

Options: Call 800 800 5828 for a complete list of options.

Specifications and prices are subjected to change without notification.

SHIPPING AND HANDLING:

There is a \$50 UPS shipping charge for all models shipped within the contiguous United States. Hawaii and Alaska must be shipped UPS air and are billed accordingly. All shipments are fully insured.
